ORANGEBURG COUNTY
DEVELOPMENT COMMISSION

BUSINESS RETENTION & EXPANSION PROGRAM

Your business is already an important part of Orangeburg County's success. The Orangeburg County Development Commission is committed to helping our existing industries grow, remain competitive, and overcome challenges.

Your Success Is Our Business.

Whether you are considering an expansion, looking for workforce assistance, or simply need help navigating a business issue, we are here to connect you with the right resources, partners, and solutions.

SERVICES

WORKFORCE SOLUTIONS

Workforce connections, customized training and upskilling, and apprenticeship and career pathway resources.

EXPANSION ASSISTANCE

Expansion and capital investment assistance, permitting and regulatory guidance, and access to incentives and economic development resources.

BUSINESS RESOURCES

Local, regional, and state resources, business-to-business connections, and confidential retention and expansion support.

Your Growth. Our Commitment.

The OCDC Business Retention & Expansion Manager/Workforce Liaison serves as your personal project manager, connecting your business with the resources, services, and partners needed to support expansion, workforce, and long-term success.

PROGRAMS

- **Business Visitiation Porgram:** One-on-one visits provide direct insight into your operations, priorities, and opportunities while connecting you with resources for continued growth.
- **BRE Surveys:** Regular surveys identify industry trends, shared challenges, and emerging needs to help guide programs and resources for local businesses.
- **Industry Roundtable:** Connect with industry peers to share challenges, celebrate successes, and shape solutions that support your business and industry.
- **Business Hall of Fame:** Celebrating the businesses and leaders whose success, innovation, and investment strengthen our community.
